PRESIDENT'S MESSAGE

Greetings Eagles International members. Hope this finds everyone well and busy, busy, busy.

Elaine and I have been staying busy. We have moved everything over to the new bus and seems like we have gone somewhere once or twice a month. We plan on hosting a rally April 11-14 at San Angelo State Park. We did this a couple of years ago and really enjoyed it. At this time of year it shouldn't be too hot, and the blue bonnets usually are in bloom, San Angelo is also having a stock show and rodeo at this time.

Jim and Denise Hufford hosted a rally in Gulf Shores Alabama October 11-15. This was a blast. We ate seafood, spent several hour on the beach, ate seafood, got to catch up with friends, ate seafood, listened to music on the beach and then enjoyed some delicious seafood. The park that we stayed at was super nice and accommodating. Jim and Denise are working on hosting a rally in Branson on Oct. 8-13 so mark your calendar.

Hope to see ya'll in Texas!

Hello there, Eagles International members! My name is Melody Blacketer. I will be taking over the Newsletter and doing the roster for our group! Starting in January those members who haven't paid their dues for two years or more will be dropped from the group. Please send your dues to Denise Hufford as soon as possible. Denise will pass the information on to Marty and me. Please, send me important information pertaining to you. (birthdays, weddings, and deaths of members) Pictures are a bonus, please share! I can be reached at mblacketer63@gmail.com.

Eagles International rally was held at Sun Outdoors RV Park Orange Beach, Alabama October 11th – 15th, 2023. Hosts Jim and Denise Hufford were amazing. Our first night dinner was a crab boil with pecan and key lime pie! On Saturday night a fish fry with all the trimmings! Breakfasts were a great time for visiting old friends and making new ones. Food, fun and relaxation were themes of the stay. The RV Park offered a tranquil homey feeling with outdoor swimming pools, BBQ grills, a hot tub & wooded nature trails for walking and biking. As we enjoyed visiting the 50th Annual National Shrimp Festival. The food was amazing, the music was eclectic, and the artisans were excellent. We also had time to explore the area on our own.
